

BALTIC INSTITUTE OF CORPORATE GOVERNANCE INVITES STUDENTS TO APPLY FOR AN INTERNSHIP

About BICG

Established in August 2009, Baltic Institute of Corporate Governance is a non profit, non governmental association with strong involvement from the Baltic business and political leaders, promoting global competitiveness of Baltic companies through adoption of leading corporate governance practices. For more information, please visit: www.bicg.eu.

Objective

Interns will be involved in helping to prepare a draft proposal for improving corporate legislation in Lithuania, with a focus on good corporate governance.

What do we expect

- Strong academic background in the subject of law;
- Good understanding of the legal system in Lithuania;
- Knowledge about the European corporate law (EMCA: <http://tinyurl.com/emcacg>);
- Very good English language;
- Ability to write concisely;
- Ability to work as part of a group.

What do we offer

- Challenging tasks;
- Being a part of a senior project team, together with local and international law experts;
- Learning about corporate governance and respective challenges in the public sector;
- Flexible working hours;
- Office location in Vilnius city center.

How to apply

Please send your application (CV and motivational letter) before the end of the working day on May 18th, to the email address info@bicg.eu. The interviews will be held on May 19th.
