

Professional Board Member Education Program

Spring, 2018

About the BICG

- **Baltic Institute of Corporate Governance (BICG)** is a non-profit, non-governmental initiative with strong involvement from the Baltic business and political leaders.
- **BICG** is leading the way in Baltic business universe by helping to create better governed public and private companies.
- **BICG** as an association is governed by its members. The relationship between the members, Board, management and other stakeholders is regulated in the bylaws of the association.

Mission, Vision, Values

Mission

BICG delivers value to its stakeholders by promoting global competitiveness of Baltic companies through adoption of leading corporate governance practices.

Vision

BICG and its community are locally and internationally recognized as drivers of the best corporate governance practices.

Values

Integrity, Excellence, Transparency & Leadership

Background of the Education Program

Topics of the Education Program are compiled based on principles and recommendations on Corporate Governance by International Finance Corporation of World Bank Group (IFC) and Organization for Economic Co-operation and Development (OECD).

Goals of the Education Program

1. Improve understanding of corporate governance and of board member, shareholder, top management responsibilities;
2. Develop competencies needed for implementation of the best corporate governance practices;
3. Create corporate governance practices and rules that are understandable and easy to implement in any kind and any size of a business.

Benefits and reasons to participate

Education Program is beneficial for all the top levels of a business entity:

1. Shareholders;
2. Members of boards and councils;
3. Top management.

All of them will gain knowledge for making business more transparent, more efficient and more valuable.

Education helps shareholders to...

- Monitor the company more effectively;
- Ensure that it is run as efficiently as possible in the interests of shareholders;
- Increase transparency;
- Boost access to capital and financial markets;
- Elevate the confidence of potential partners;
- Raise the value of the company;
- Enhance and safeguard company reputation;
- Develop the long-term prosperity of the company.

Education helps members of boards and councils to...

- Improve top level decision making processes;
- Build up better control environments;
- Develop better internal practices and compliance;
- Reduce potential fraud and conflicts of interest;
- Ensure higher level of protection for all investors;
- Build effective, transparent and ethical business;
- Improve relationships among the management, board, shareholders and stakeholders;
- Contribute to the long-term, sustainable growth of the company;
- Encourage effective succession planning for top and senior management;
- Serve professionally on the boards in all three Baltic States and globally.

Education helps top management to...

- Minimize losses, corruption, risks and mismanagement;
- Improve everyday interactions with shareholders, board and council;
- Ensure continual achievement of shareholders' goals;
- Obtain more favorable lending as a result of greater transparency and confidence;
- Attract and cooperate with partners more beneficially;
- Attract and retain key talents more easily;
- Improve profitability;
- Support brand formation and development;
- Elevate company's accountability and transparency to its shareholders and other stakeholders: employees, creditors, customers and the wider society.
